**DO NOT REMOVE THE FOAM STRIP FROM YOUR NUMBER.**

Please use the pens and table provided to fill in all emergency information on the back of the race number.

**Baggage** We will be providing a manned baggage store at the race start in one of our gazebos. To leave your baggage please pick up a luggage tag from the baggage store and write your name, race number and mobile number on the tag and attach it to your belongings. To retrieve your bag you will need to show your race number to the person supervising the bag store. Please note all valuables are left at your own risk.

**Headphones** The use of head/earphones is strictly prohibited as you will not be able to hear marshals' safety instructions or other warnings. However, we will allow bone conduction headphones.

**Dogs** Unfortunately, while we love dogs and have them ourselves, this event does not allow dogs. If your spectator is planning to bring a dog please note that all dogs must be kept on a lead throughout the estate.

**Photography & filming** We may take photographs and video of our events; a condition of entry to a hoohaah run is that you have given permission for us to use all footage in our marketing campaigns.

In addition to our own photographs, we have an event photographer on the day, the photos will be uploaded to both the hoohaah and ActiveTrainingWorld Facebook pages shortly after the event; [www.facebook.com/eventsatw/photos](http://www.facebook.com/eventsatw/photos)

**Prizegiving** We aim to award prizes to the first 3 men and women at approximately 11-11:15am. Timing is subject to receiving the results from the chip timing company. We may read out the age category prizes if we have them at the time of the prize-giving but, will post them to winners, if they are not present at the time.

We award trophies for the winning categories on a 'cascading down' basis whereby any man or lady placed first, second or third is not entitled to the age group prize as well. Please do check the results as you may well win an age category even if you weren't one of the first 3 runners across the line.

**Results** Official results will be live on the EventChipTiming website [results.eventchiptiming.com](http://results.eventchiptiming.com) after the race. We will send out an email after the run announcing the winners and these are also posted on our social media.

**Refreshments** Refreshments are available from coffee van from 08:30am.

**Series runners** If the Shuttleworth 10k is the final hoohaah 10k race in the series that you have completed you will be able to collect your hoodie after the race. Please join the queue of your chosen size.

**Hoodies** We have a small number of hoodies to sell at the end of the event for £25. We can accept cash on the day or they can be ordered via the hoohaah website from Monday 13th June.

**A final word** We put on our runs with the aim of raising funds for a charity. This year all of our runs are in aid of Power2Inspire whose founder John Willis will be sending you off and cheering you in!

Finally all of our marshals and helpers are volunteers who give up their time to help us put on this event. We thank all of you as well as them for your support. If you have the spare breath please do say hello and give the marshals a wave as you pass I know they really do appreciate it.

We look forward to seeing you all on Sunday!
